LEAD STORIES...

This term have been busy, with a focus on preparing our children for their examinations that started in January 2016. On behalf of our Executive Director *Dr. Muhammad Babangida* and the entire El-Amin International School community, we wish to express our sincere appreciation for your support, dedication, and belief in our vision and ethos to provide a total education experience for your children.

We end this term with gratitude to the Almighty God as we continue developing students' skills and academic progress in a safe and secured learning environment. This term, the children competed in various events and continue to achieve success. Additionally, the children completed their IGCSE exams and JAMB during the term. They are now preparing for their WAEC and NECO examinations that begin in April. The ELAIS community wishes them all the best in their forth coming exams.

The highlights for the term are as follows:

- The PTA meeting where the new EXCO's were nominated and elected.
- The Parent Teacher Conference for all SS3 and JS3 parents to discuss their wards progress.
- The 22nd Joint Interhouse Sports Day where the students showcased their sporting abilities.
- The school's Inter House Basketball Tournament again showcasing their sporting skills.
- The yearly Music Fiesta with invited schools gracing the occasion.
- The yearly Language and Social Science week also having a guest speaker and invited schools.
- Students also attended the GSS 50th anniversary and the ED received and award as part of his social responsibilities to the children in Niger State.
- A range of excursion for all year groups.
